REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance: The primary reason for allowance of claim 10 is that the prior art of record does not teach the method of using a postage meter to print on a memory card comprising the steps of downloading advertising slogan data from the memory card into the memory of the postage meter and printing an imprint of the advertising slogan from the advertising slogan data in the memory of the postage meter on the memory card.

The limitations of the claim are not rendered obvious by any proper combination of the prior art known to the Examiner.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
